To Whom it May Concern:

New Life/4 Seasons Pothole filler has been in use in the State of Alaska since 2006 by both private and government entities. Apun LLC is the distributor for New Life in Alaska and has had several application contracts with the state of Alaska for New Life/4 Seasons Pothole Filler. We have applied it with great success on airports in Dutch Harbor, Kodiak and Cold Bay and on roads in Anchorage, Juneau, Skagway and numerous other sites. Apun LLC has a current supply contract with the State of Alaska to supply New Life/4 Seasons Pothole Filler. That contract number is 25C1034-F and can be found on the State of Alaska website [www.alaska.gov](http://www.alaska.gov). We have enjoyed a lot of success with this product in many different applications in our extreme climate and will continue to use it for pavement repair and restoration. I am more than happy to provide details and contacts within our territory for more testimonials concerning New Life/4 Seasons Pothole Filler so please feel free to contact me.
